

FUTURE OF BIOGAS EUROPE 2021

24TH-25TH NOVEMBER 2021 - BERLIN, GERMANY

The Future of Renewable Energy

KEY TOPICS

- Future of Biogas: Market Overview
- Upscaling Biogas Production Through Cost Effective Methods
- Decarbonising The Grid: The Use of Biogas As An Greener Alternative
- The Integration of Biogas Into The Transport Sector
- Applying Strategies for Feedstock and Sustainability
- European Regulation in Biogas: Meeting the Standards and Overcoming the Challenges
- Discussing and Applying New Technological Advancements in the Industry
- Exploring Future Innovations in Production and Application of Biogas

RICHTER

Service for biogas and biomethane

ACI's is pleased to announce the Future of Biogas Europe 2021 Summit, taking place in Berlin, Germany, on the 24th and 25th November 2021.

The two day event will bring together senior executives and experts from the full value chain to provide a forum for all parties active in the field of anaerobic digestion of organic matter and renewable energy production in the form of biogas.

The conference will provide our delegates with interactive sessions, panel discussions, conference presentations and networking opportunities to discuss the challenges and latest trends in the bioenergy industry.

Power producers, farmers, leading technology and solution providers, as well representatives from the food & beverage industry, and waste industry will share their

Who will be attending?

Delegates will be drawn from biogas production companies, biogas technology suppliers, energy & utility companies, waste to energy project developers, policy makers, waste water treatment specialists, biomass producers, waste management specialists, technology development & solution providers, national/local governments & industry/manufacturing investing in biogas facilities, green energy financial & investment firms, research & academic organisations,

Opportunities to Meet Your Target Au-

Showcase your technologies to the industry, with opportunities to demonstrate the capabilities of your latest products and services. Companies can gain direct access to our senior level audience and have an increased level of visibility and exposure through branding and networking at the conference. This will allow you to attract new business and forge lasting commercial relationships.

For information on available commercial opportunities, please contact:

Hubert Sosnowski

+48 (0) 61 646 70 59 – hubert@acieu.net

Speaking Opportunities

If you would like to be considered as a speaker, for a 20 -30mins presentation, at the event please submit an abstract for consideration to:

Will Burden

+44 (0) 20 3141 0617— wburden@acieu.net

Registration Is Simple

If you would like to register for this event or wish to find out more information, please contact:

Steph Bottin

+44 (0) 20 3141 0614— steph@acieu.net

DAY 1

Wednesday 24th November 2021

08:00 **REGISTRATION & COFFEE**

09:00 **CHAIR OPENING REMARKS**

09:15 **CONFERENCE PRESENTATION**

Future of Biogas: Market Overview

- Establishing biogas as a key player in the global sustainable circular economy
- Supporting the exportation of the European biogas and biomethane technologies and services
- Improving biomethane cross-border trade

Jörg Fischer
Chairman
Biogasrat

10:00 **SESSION ONE**

Upscaling Biogas Production Through Cost Effective Methods

- Lowering the production costs while increasing the total production: large-scale plants as a key driver
- Enhancing biogas competitiveness on the energy market by 2030
- Promoting the whole biogas process: Anaerobic Digestion as a field of possibilities

Jonas C. Svendsen
Head of Trading
Nature Energy

Trading of subsidised and unsubsidised biomethane across Europe

Florian Siebert
Biomethane
Purchaser
bmp greengas

11:15 **MORNING REFRESHMENTS**

11:45 **SESSION TWO**

Decarbonising the Grid: The Use of Biogas as a Greener Alternative

- Upscaling biogas as the main driver and only sustainable solution for a greener future
- Providing alternative uses of biogas to produce advanced biofuels

- Assessing and acknowledging the essential role of biogas in the fight against GHG emissions

Zoltan Elek
CEO
Landwaerme

Lorenzo Maggioni
Head of R&D
Consorzio Italiano Biogas

Decarbonising Transport with Biomethane While Producing High Quality Fertilizers

Christian Cuenot
Head of Business
Biomethane Europe
Shell

13:35 **LUNCH**

14:35 **SESSION THREE**

Boosting the Integration of Biogas Into the Transport Sector

- Accelerating the deployment of renewable gas vehicles to ensure GHG emissions reductions
- Increasing the availability of alternative fuels for sustainable transportation
- Case Study: UK's first commercial scale Bio-Substitute Natural Gas (BioSNG)

Expanding Heavy Lift Green Gas Fuel Access - The Virtual Gas Network

Håvard Wollan
CEO
Biokraft AS

Remco Krul
Marketing Manager
Nordsol

16:25 **AFTERNOON REFRESHMENTS**

16:55 **SESSION FOUR**

Promoting the Benefits of Biogas Production in the Agricultural Sector

- Generating valuable, sustainable and renewable energy via farming waste management

- Ensuring a healthy crop-rotation and preventing monoculture
- Contributing to the local renewable energy production and economy

Michael Köttner
Consultant - Senior
Expert
IBBK

18:05 **END OF DAY ONE**

DAY 2

Thursday 25th November 2021

08:30 **REGISTRATION & COFFEE**

09:00 **CHAIR OPENING REMARKS**

09:05 **CONFERENCE PRESENTATION**

Applying Strategies for Feedstock and Sustainability Challenges

- Investing locally into food waste collection and treatment processes for biogas
- Accelerating the development of on-farm anaerobic digestion plants
- Strengthening partnerships with suppliers and stakeholders to secure an increased production

09:50 **CONFERENCE PRESENTATION**

Sustainable Biogas Solutions Inside Biogas Practise

Benjamin Budde
Head of Sales
Stallkamp

10:35 **MORNING REFRESHMENTS**

11:05 **PANEL DISCUSSION**

European Regulation in Biogas: Meeting the Standards and Overcoming the Challenges

- Accelerating emission reductions with the European Green Deal
- Meeting the RED II sustainability and GHG emissions criteria for biogas production and application
- Guaranteeing national harmonisation of biogas production and sustainability all over Europe

Jean-Marie Gauthey
Head of European Affairs
GRDF (Gaz Réseau
Distribution France)

11:50 **CONFERENCE PRESENTATION**

- Integrating biomethane into gas infrastructure and Nordic gas ecosystem

Ari Suomiammi
Director, Circular
Economy Finland
Gasum

12:35 **CONFERENCE PRESENTATION**

Charlotte Richard
Research Engineer - PhD
Local expert anaerobic digestion
and biological processes
ENGIE Lab CRIGEN

13:20 **LUNCH**

14:20 **CONFERENCE PRESENTATION**

The Biorefine Cluster Europe: A Collaborative Framework of European Projects Resulting in Higher Impact and Research Capitalization

Aurore Assaker
Project Manager - Science
Communication Manager
Faculty of Bioscience Engineering -
University of Ghent

15:05 **SESSION SIX**

Discussing and Applying New Technological Advancements in the Industry

- The Role of CO₂ capture, utilisation and storage technology on socio-economic development and decarbonisation transition
- Future and benefits of small-scale anaerobic digestion plants

15:50 **CHAIR CLOSING REMARKS**

16:00 **END OF DAY TWO**

Registration Is Simple

If you would like to register for this event or wish to find out more information, you can contact **Steph Bottin** using any of the following methods:

- +44 20 3141 0614
- steph@acieu.net
- http://www.acieurope.net
- ACI Europe: G18 25 Southampton Buildings, London, WC2 1AL, UK

Conference (Includes Documentation Packet) 24th & 25th November 2021	£1,795 (Excl. VAT)
Documentation Packet Only	£470.00

Please Note.
Members and customers of all supporting organisations are entitled to a discount off their conference package.

Documentation Packet Available

We are selling the Future of Biogas Europe 2021 Summit papers at just £440 (+£30 P&P). Simply tick the box on the booking form, send it with payment and your copy will be on its way to you after the meeting.

About ACI

ACI, a UK owned company, has been running successful conferences in the USA since 1999. Headquartered in Chicago with offices all around the States, ACI opened its European head office at the end of 2005 and has expanded rapidly, launching a series of events in key industries including maritime, energy, oil & gas, cosmetics, chemicals & media.

Media Partners

Terms & Conditions

Payment

Payment must be received within five business days of returning the signed contract. After receiving payment a VAT receipt will be issued. If you do not receive a letter outlining details two weeks prior to the event, please contact the Conference Coordinator at ACI Europe Ltd.

Discounts are available for multiple/group bookings. Please call

Cancellations

Substitutions are welcome up to 24 hours prior to the event. Cancellations must be received in writing no less than 3 weeks prior to the start of the conference; a full credit voucher towards a future ACI conference will be issued. Any cancellation received less than 3 weeks prior to the start of the event shall be deemed to be a breach of this contract by client, and accordingly, no credits will be given. Cancellations must be received in writing by mail or fax three weeks before the conference. Thereafter the full conference fee is payable. If for any reason ACI Europe Ltd decides to amend, cancel or postpone this conference, the conference fee will not be refunded. Furthermore, ACI Europe Ltd will not be responsible for covering airfare, hotel or other costs incurred by registrants. In the event that ACI Europe Ltd cancel or postpone the event, ACI Europe Ltd reserves the right to transfer this booking to another conference to be held in the following twelve months, or to provide a credit of an equivalent amount to another conference within the following twelve months. The construction, validity and performance of this agreement shall be governed in all respects by the laws of England to the exclusive jurisdiction of whose courts the Parties hereby agree to submit.
